

TASK 2: DIALOGUE

You are having a coffee with a friend and tell her/him that you have decided to get rid of your internet connection at home. Your teenage son is addicted to it and spends all his time on facebook and you're worried about the negative consequences of the internet. Tell your friend some of the different negative aspects of the internet.

NOTES**TASK 2: DIALOGUE**

You're having a coffee with a friend who tells you he/she is thinking of getting rid of the internet connection at home. Tell him/her about the positive sides of it and try to convince him/her of keeping it.
